## Education

San Francisco State University, San Francisco, CA

- **Bachelor of Arts, Broadcast Electronic Communication Arts**

- Emphasis on Music Production and Audio
- Dean's List GPA: 3.3
- Audio Engineering Society, San Francisco State University
- Treasurer and VP, 2019-2020

## Experience

### **Audio Engineer/Live Sound Production, Mr. Soundman, LLC — 2019**

Worked as live sound tech and engineer during summer concert season in the greater Sacramento Area. Provided audio reinforcement for clients, including large, city government sponsored events and festivals. Duties included general setup of main speaker arrays, sub woofers, monitors, mixing desks, and lighting trusses, as well as running board for mains and monitors.

### **Special Events, City of Rocklin, Rocklin, CA — 2018—2019**

Worked with contractors to prepare live sound and set stage for concerts and events at large city sponsored amphitheater. Maintained crowd control and upkeep of venue. Worked directly with artists and promoters to ensure artist satisfaction.

## Activities
